

# About CCI Learning

CCI Learning is a leader in the EdTech space specializing in interactive courseware, books, certifications, software licensing and educator/trainer services.

XperienceED, our cutting-edge kinesthetic learning platform offers a unique hands-on learning experience that provides the freedom, flexibility and fundamental tools to educate and learn at any pace, any place and any time.

Impacting millions of learners and instructors globally, our vision is to create products, opportunities and environments that cultivate a desire to learn, establish a foundation for success and, passion for lifelong learning.

# Jasperactive

## What is Jasperactive?

CCI Learning's cutting-edge kinesthetic learning platform. It offers a live in-app learning experience that provides the learner with opportunities for hands-on program application of new concepts and real-world scenarios.

## Why Jasperactive?

All courses are mapped to Certiport's certification exams, globally accepted, standard-based credentials for validating skills.

Upon completion, secondary and post-secondary learners and, those re-entering the workforce will be prepared to advance academically and professionally.

Learners can explore their potential and develop their knowledge and skills in a broad range of topics. These certifications are sought after in every industry and discipline.

**Career Exploration:** sales, marketing, finance, operations, program and project management, analytics, engineering, and entrepreneurship.

## Superior Learning Experience

- In-app hands-on learning experience that offers features that enhance learning such as:
  - 'Show Me' video clips that guide the learner through the steps of each exercise
  - Uses eBook and exercises to reinforce learning
  - Uses an exercise-based approach with real-life context

## Enhanced User Experience Designed to:

- Support institutions of all sizes globally
- Be evergreen with regular program updates and new features
- Reduce up to 85% of classroom preparation time with instructor resources
- Deploy, scale and onboard quickly with virtual and in-person training
- Be robust and secure

## Flexible and Accessible Learning

- Learn 24/7 in a class or remote with easily accessible resources
- Mapped to Certiport's exam objectives
- Integrated practice tests to validate knowledge

*\* Live in-app learning is not applicable for Digital Literacy*
