

What is XperienceED for Digital Literacy GS6?

CCI Learning's cutting-edge kinesthetic learning platform. It offers an interactive learning experience that provides the learner with opportunities to establish foundational Digital Literacy skills essential to scholastic endeavours and employability demands.

Why XperienceED for Digital Literacy GS6?

XperienceED is mapped to Certiport's IC3 Digital Literacy certification, a stackable credential that validates each learner's level of proficiency whether beginner, intermediate or advanced. It measures against seven major domains that are essential to success.

Superior Learning Experience

An interactive learning experience that offers features that enhance learning such as:

- 'Show Solution' video clips that guide the learner through the steps of each exercise
- Differentiated learning with eBook, QuickDeck or QuickClip resources
- An exercise-based approach with real-life context

Enhanced User Experience

- LTI® compliant for integration
- Integrated with CertPREP Practice Tests, powered by GMETRIX
- Regular program updates and new features
- Reduce up to 85% of classroom preparation time with instructor resources
- Deploy, scale and onboard quickly with virtual and in-person training

Flexible and Accessible Learning

- In-class or remote learning as well as instructor led or self-directed learning
- Instructors control how the course is delivered - prescriptive or all course content
- The freedom to learn at any pace, any place, any time and on any device
