What is XED for Intuit Design for Delight?

CCI Learning's cutting-edge kinesthetic learning platform. It offers an interactive learning experience that provides learners with opportunities to explore the core principles of Intuit Design for Delight: Deep Customer Empathy, Go Broad to Go Narrow, and Rapid Experiments with Customers.

Learners will explore this set of design thinking principles with practical experience in creative problem solving and, the tools needed to identify problems, brainstorm, gain customer empathy, run experiments, test assumptions, pivot, and more.

Why XED for Intuit Design for Delight?

It's mapped to Certiport's Intuit Design for Delight certification – a standard-based credential for validating important creative problem-solving skills employers are looking for.

Superior Learning Experience

An interactive learning experience that offers features that enhance learning such as:

- 'Show Solution' video clips that guide the learner through the steps of each exercise
- Differentiated learning with eBook, QuickDeck or QuickClip resources
- An exercise-based approach with real-life context

Enhanced User Experience

- LTI® compliant for integration
- Integrated with CertPREP Practice Tests, powered by GMETRIX
- Regular program updates and new features
- Reduce up to 85% of classroom preparation time with instructor resources
- Deploy, scale and onboard quickly with virtual and in-person training

Flexible and Accessible Learning

- In-class or remote learning as well as instructor led or self-directed learning
- Instructors control how the course is delivered - prescriptive or all course content
- The freedom to learn at any pace, any place, any time and on any device
